INDEPENDENT AUDITOR'S REPORT

To the Members of O2 Renewable Energy XXXII Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **O2 Renewable Energy XXXII Private Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2026, the Statement of Profit and loss (including the Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the financial year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (IND AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026, and its profit, total comprehensive income, the changes in equity and its cash flows for the financial year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears

LLPIN: AAG-1471

A-94/8, Wazirpur Industrial Area
New Delhi-110052, India

to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

(1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143(11) of the Act, we give in "Annexure A" a clause wise statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(2) As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account;
- d) In our opinion, the aforesaid financial statements comply with the IND AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- g) In our opinion and according to the information and explanation given to us, the provisions of section 197 of the Act are not applicable to the company.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company does not have any pending litigations which would impact its financial position;
 - II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - III. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - IV. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

V. As per the information and explanation given to us, the Company has not declared nor paid any dividend during the year. Hence, reporting the compliance with section 123 of the Act is not applicable.

VI. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all the relevant transactions recorded in the software. Further, during the course of our audit, we encountered no instance that concluded that the audit trail feature was being tampered with and the audit trail has been preserved by the company as per statutory requirements for record retention.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section in the Independent Auditor's Report of even date to the members of O2 Renewable Energy XXXII Private Limited on the financial statements for the financial year ended March 31, 2026.

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

(i)

(a) (A) The Company has not commenced its operations and does not have any Property, Plant and Equipment or Intangible assets as at year end, i.e. 31st March 2026. Accordingly, the provisions of clause 3(i)(a) of the Order are not applicable.

(B) The Company does not have any intangible assets and hence this clause is not applicable.

(b) Since the Company does not have any Property, Plant and Equipment, the provisions of clause 3(i)(b) of the Order are not applicable.

(c) As per the information and explanations given to us, the company does not have any immovable property properties (other than properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee). Hence, reporting under clause 3(i)(c) of the order is not applicable.

(d) Since the Company does not have any Property, Plant and Equipment or intangible assets, the provisions of clause 3(i)(d) of the Order are not applicable.

(e) As per the information and explanations given to us, no proceedings have been initiated or are pending against the Company as at March 31, 2026 for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii)

(a) The Company does not hold any inventory. Accordingly, the provisions of clause 3(ii)(a) of the Order are not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not have any working capital limits in excess of five crore rupees in aggregate from banks or financials institution on the basis of current assets. Accordingly, the provisions of clause 3(ii)(b) of the order are not applicable.

(iii) As per the information and explanations given to us, and on the basis of our examination of the records of the Company, the company has not made investments, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms,

limited liability partnerships or any other parties hence clause 3(iii)(a) to 3(iii) (f) is not applicable to the company.

(iv) Based on the information and explanations given to us, the company has not granted any loans, made investments, provided guarantees, or offered securities to any parties during the year. Accordingly, the provisions of Sections 185 and 186 of the Companies Act, 2013 are not applicable to the company, and hence, reporting under clause 3(iv) of the Companies (Auditor's Report) Order, 2020 is not required.

(v) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not accepted any deposits or amounts which are deemed to be deposits under the directives of the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder, where applicable. Accordingly, the provisions of clause 3(v) of the Order are not applicable.

(vi) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Central Government has not prescribed the maintenance of cost records by the Company under Section 148 (1) of the Companies Act, 2013. Accordingly, paragraph 3 (vi) of the Order is not applicable to the Company.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Provident fund, Income Tax, Service Tax, Employees' State Insurance, Sales tax/Value Added tax/GST, Custom duty, Excise duty, Cess and other statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect of above were outstanding, as at 31.03.2026 for a period of more than six months from the date they became payable.

(b) There are no dues of income tax, goods and services tax, sales-tax, service tax, duty of customs, duty of excise or value added tax which have not been deposited on account of any dispute.:

(viii) According to the information and explanations given to us, and on the basis of our examination of the records of the Company there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

(ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not obtained any loans or borrowings and hence not defaulted in repayment of loans or borrowings to bank. Similarly, the company has not issued any debentures and hence there are no dues to debenture holder and financial institution or government

(b) According to the information and explanations given to us and based on our audit procedures, the Company has not been declared a willful defaulter by any bank or financial institution or other lender.

(c) According to the information and explanations provided to us and based on our audit procedures, the Company has not raised any term loans during the year. Accordingly, the provisions of clause 3(ix)(c) of the order are not applicable.

(d) According to the information and explanations provided to us and based on our audit procedures, we have not observed any instances where funds raised on a short-term basis have been utilised for long-term purposes by the Company. Accordingly, the provisions of clause 3(ix)(d) of the order are not applicable.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Accordingly, the provisions of clause 3(ix) (e) of the order are not applicable.

(f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

(x)(a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not raised money by way of initial public issue offer/further public offer (including debt instruments) during the year. Therefore, reporting under clause (x)(a) of paragraph 3 of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Therefore, reporting under clause (x) (b) of paragraph 3 of the Order is not applicable.

(xi) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company nor any fraud on the Company has been noticed or reported during the year, nor have we been informed of any such instance by the Management.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no report under section 143(12) of the Act has been filed with the Central Government by the auditors of the Company in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, during the year or upto the date of this report.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no whistle blower complaints received by the Company during the year and upto the date of this report.

(xii) In our opinion, the Company is not a Nidhi Company. Therefore, reporting under clause (xii) of paragraph 3 of the Order is not applicable.

(xiii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and the details have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) (a) The company does not have an internal audit system commensurate with the size and nature of its business and is not required to have an internal audit system as per the provisions of section 138 of the Companies Act, 2013.

(b) Since the company is not required to have internal audit system. Hence, reporting under clause (xiv)(b) is not applicable.

(xv) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not entered into any non-cash transactions with its directors or persons connected with them during the year and hence, provisions of section 192 of the Act/ clause 3(xv) of the Order are not applicable to the Company.

(xvi) (a) According to the information and explanations given to us, we are of the opinion that the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid certificate of Registration (COR) from the Reserve bank of India as per RBI Act 1934.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, accordingly the provisions of clause 3(xvi) of the Order are not applicable

(d) According to the information and explanations provided to us during the course of audit, the group does not have any CIC. Accordingly, the requirements of clause 3(xvi) (d) are not applicable to the Company.

(xvii) The company has incurred cash losses of (INR 184.96) *amount in thousands*, in the current financial year ended March 31, 2026, which is also the first year of its financial reporting since its incorporation.

(xviii) We are the first auditors of the company since its incorporation. Hence, this clause is not applicable.

(xix) On the basis of the financial ratios disclosed in notes to financial statement, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which cause us to believe that any material uncertainty exists as on the date of this audit report and that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) According to the information and explanations given to us and based on the audit procedures conducted. In our opinion provisions of subsection (6) of Section 135 of the Companies Act, 2013 pursuant to any project are not applicable on the Company. The Company has complied with the provisions of Section 135 towards corporate social responsibility and disclosed all the details in financial statement in note no 25.

(xxi) The reporting under clause (xxi) is not applicable in respect of audit of financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of O2 Renewable Energy XXXII Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the financial year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to financial statements for the financial year ended 31 March 2026*(All amounts are in Indian rupees in thousands, unless otherwise stated)***1. Corporate information**

O2 Renewable Energy XXXII Private Limited (the 'Company') is a private limited company domiciled in India and has its registered office at 208, Square One Mall, 2nd Floor, District Centre Saket, South Delhi, New Delhi -110017 with CIN U35106DL2025FTC441223. The Company was incorporated on 16 January 2025 as a private limited company in India. The Company is a wholly owned subsidiary of O2 Energy SG Pte . LTD. The Company is in the business of carrying out generation of power through non-conventional and renewable energy sources.

The financial statements were approved by the board of directors on May 05, 2026.

2 Summary of significant accounting policies**2.1 Basis of preparation and presentation**

The financial statements for the year ended March 31, 2026 have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable.

These financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values:

i) Financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments, note : 16)

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern. The Directors consider that there are no material uncertainties that may cast significant doubt over this assumption. They have formed a judgement that there is a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future, and not less than 12 months from the end of the reporting period.

The financial statements have been prepared and presented in INR, which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest thousands unless, when otherwise indicated.

The financial figures have been rounded off up to 2 decimal places.

The previous year figures have been regrouped/reclassified wherever necessary to correspond with the current year's classification/disclosure. The company was incorporated on January 16, 2025 and these financials statement have been prepared for the period from January 16, 2025 to March 31, 2026. Accordingly the company has not presented comparative information.

2.2 Adoption of new and amended standards

The company has adopted all relevant, new and revised financial reporting standards effective for annual financial period beginning on or after 16 January 2025.

2.3 Use of estimates and judgments

The preparation of Financial Statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these Financial Statements and the reported amount of revenues and expenses for the period presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most

(a) Useful lives of property, plant and equipment

The Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period. There is no such change in the useful life of the assets.

(b) Defined benefit obligations

Key assumptions related to average life expectancy, future salary increases, Discount and withdrawal Rates are made in order to determine the amount to be recorded for defined benefit obligations. These have been disclosed in Note No.2.15

O2 RENEWABLE ENERGY XXXII PRIVATE LIMITED

CIN : U35106DL2025FTC441223

Notes to financial statements for the financial year ended 31 March 2026*(All amounts are in Indian rupees in thousands, unless otherwise stated)***2.4 Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve month after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle for classification of their current assets and liabilities.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.5 Operating cycle

The Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.6 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company management determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Company management determines the policies and procedures for recurring and non-recurring fair value measurement. Involvement of external valuers is decided upon annually by Company management.

The management decides after discussion with external valuers about valuation technique and inputs to use for each case. At each reporting date, the Company's management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents. The Company management, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

O2 RENEWABLE ENERGY XXII PRIVATE LIMITED

CIN : U35106DL2023FTC441223

Notes to financial statements for the financial year ended 31 March 2026*(All amounts are in Indian rupees in thousands, unless otherwise stated)***2.7 Property, plant and equipment**

An item is recognized as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably.

a. Recognitions**i. Initial measurement**

Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Property, Plant and Equipment ('PPE') except freehold land is stated at historical cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price net of refundable taxes and any attributable cost of bringing the asset to its working condition for its intended use, if the recognition criteria are met.

- ii. Subsequent expenditure is capitalised only when it increases the future economic benefits for its intended use from the existing assets beyond its previously assessed standard of performance. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met. Refer to note II regarding significant accounting judgements, estimates and assumptions and provisions for further information about the recorded decommissioning provision.

Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets.

b. Depreciation, estimated useful lives and residual value

Depreciation is provided for property, plant and equipment so as to expense the cost less residual values over their estimated useful lives. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis taking into account commercial and technological obsolescence as well as normal wear and tear. Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Category	Useful Life
Plant and Machinery	30 years

Based on an external technical assessment, the management believes that the useful lives as given above and residual value of 0% - 5% best represents the period over which management expects to use its assets and its residual value.

The residual value of all fully depreciated assets is retained at Re. 1/- each to identify the assets in the Property, Plant and Equipment Register.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

c. Derecognition

The carrying value of an item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains and losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognised.

2.8 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

O2 RENEWABLE ENERGY XXXII PRIVATE LIMITED

CIN : U35106DL2025FTC441223

Notes to financial statements for the financial year ended 31 March 2026*(All amounts are in Indian rupees in thousands, unless otherwise stated)***2.9 Foreign currencies**

The financial statements are presented in INR (Indian Rupees), which is also the functional and presentation currency of the company.

a. Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at functional currency spot rates at the date the transaction first qualifies for recognition. However, for practical reasons, the Company uses average rate if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

The Company does not have any foreign currency exposure as at the balance sheet date.

2.10 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects,

Where appropriate, the risks specific to the liability. When discounting is used, the increase in provision due to the passage of time is recognised as a finance cost.

2.11 Contingencies

A contingent liability is:

- a. A possible obligation that arises from past events and whose existence will be confirmed only by occurrence and non occurrence of one and more uncertain future events not wholly within the control of the company; or
- b. A present obligation that arises from past events but is not recognised because:
 - i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - ii) The amount of obligation cannot be measured with sufficient reliability.

Contingent liability are not recognised on the statement of financial position of the company.

2.12 Financial instruments (including impairment)**a. Financial assets****Initial recognition and measurement**

Financial assets are recognised when an entity becomes a party to the contractual provisions of the instruments. Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to the fair value of the financial assets on initial recognition. Transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss (FVTPL) are recognised immediately in the Statement of Profit and Loss.

O2 RENEWABLE ENERGY XXXII PRIVATE LIMITED

CIN : U35106DL2025FTC441223

Notes to financial statements for the financial year ended 31 March 2026*(All amounts are in Indian rupees in thousands, unless otherwise stated)*Subsequent measurement

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Financial assets that are held within a business model whose objective is to hold assets in order to collect contractual cash flows; and the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are subsequently measured at amortised cost (except for financial assets that are designated as at FVTPL on initial recognition).

Financial assets that are held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are subsequently measured at fair value through other comprehensive income (except for financial assets that are designated as at FVTPL on initial recognition).

All other financial assets are subsequently measured at fair value.

The effective interest method is a method of calculating the amortised cost of a financial asset and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. Income is recognised on an effective interest basis for financial assets other than those financial assets classified as at FVTPL. Interest income is recognised in the Statement of Profit and Loss and is included in the 'Other income'.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of Profit and Loss.

The Company assesses at each Balance Sheet date whether a financial asset or a company of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises credit loss allowance at lifetime expected credit loss model for trade receivables.

b. Financial liabilitiesInitial recognition and measurement

Financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instruments. Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities (other than financial liabilities at FVTPL) are deducted from the fair value of the financial liabilities on initial recognition. Transaction costs directly attributable to the acquisition of financial liabilities at FVTPL are recognised immediately in the Statement of Profit and Loss.

Subsequent measurement

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL. Financial liabilities are classified as at FVTPL when the financial liability is held for trading or it is designated as at FVTPL.

The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs'.

Non-refundable fees and related direct costs associated with the origination of borrowings are deferred and netted against borrowings and recognised using effective interest rate method.

Derecognition

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

The Company's financial liabilities comprise of borrowings, trade payables, payable for capital goods, retention money and other payables. These liabilities are measured subsequently at amortised cost.

O2 RENEWABLE ENERGY XXXII PRIVATE LIMITED

CIN : U35106DL2025FTC441223

Notes to financial statements for the financial year ended 31 March 2026*(All amounts are in Indian rupees in thousands, unless otherwise stated)***2.13 Earning per share**

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity shareholder of the Company (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the parent company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.14 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.15 Recent accounting pronouncements:

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under the Companies (Indian Accounting Standards) Rules, from time to time. For the year ended 31 March 2026, MCA has notified the following amendments and are applicable to the Company with effect from 1st April 2025.

- **Ind AS 1 – Presentation of Financial Statements:** The amendment regarding classification of liabilities as current or non-current with covenants. The amendments require assessment of the right to defer settlement based on reporting date conditions.
- **Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments:** The amendment requires enhanced disclosure requirements for supplier finance arrangements have been introduced to improve transparency about cash flows and liabilities.
- **Ind AS 12 – Income Taxes:** The amendment incorporates a temporary mandatory relief from accounting for deferred taxes arises from legislation implementing Pillar Two legislation and Pillar Two income taxes.
- **Ind AS 21 – The Effects of Changes in Foreign Exchange Rates:** The Amendment addressing situations where currencies are not exchangeable have been notified.

The Company has reviewed the above amendments and based on its evaluation, has determined that these amendments do not have any material impact on the financial statements of the Company

(ii) Standard issued but not yet effective:

- **Ind AS 118 – Presentation and Disclosure in Financial Statements:**

The Institute of Chartered Accountants of India ("ICAI") has issued an Exposure Draft on Ind AS 118 – Presentation and Disclosure in Financial Statements, which is intended to replace Ind AS 1 – Presentation of Financial Statements. Ind AS 118 aims to introduce a new structure for the statement of profit and loss, enhanced aggregation and disaggregation requirements and improved disclosures to provide more relevant information about an entity's financial performance.

The standard has not yet been notified by the Ministry of Corporate Affairs ("MCA") and, accordingly, is not effective for the year ended 31 March 2026. The Company will evaluate the impact of Ind AS 118 on its financial statements once the standard is notified and becomes effective.

16 Financial instruments

- (A)** This section gives an overview of the significance of financial instruments for the company and provides additional information on the balance sheet. Details of significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 2

The accounting classification of each category of financial instruments, their carrying amounts and their fair values are set out below:

Particulars	Carrying value	Fair value
	As at 31 March 2026	As at 31 March 2026
Trade payables	98.01	98.01
	98.01	98.01

The management has assessed that fair value of financial assets such as cash and cash equivalent, trade receivable (current), bank balances, other than cash and cash

(B) Fair value hierarchy

Level 1: Quoted prices in active markets. This level of hierarchy includes financial assets that are measured by reference to quoted price in active market. This category

Level 2: Valuation techniques with observable input. This level of hierarchy includes item measured using inputs other than quoted price included within Level 1 that are observable for such items, either directly or indirectly. This level of hierarchy consists of debt based close ended mutual fund investments and over the counter (OTC) derivative contracts.

Level 3: Valuation techniques with unobservable inputs. This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable input). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. The main item in this category are unquoted equity instruments.

O2 RENEWABLE ENERGY XXXII PRIVATE LIMITED

CIN : U35106DL2025FTC441223

Notes to financial statements for the financial year ended 31 March 2026*(All amounts in INR Thousands, unless stated otherwise)*

The following table provides the fair value measurement hierarchy of company's financial assets and liabilities

Quantitative disclosures of fair value measurement hierarchy for assets and liabilities as at 31 March 2026

	Fair value measurement using			
	Total	Quoted prices in	Significant	
		active market	observable inputs	Significant
		(Level 1)	(Level 2)	unobservable inputs
			(Level 2)	(Level 3)
Financial assets at amortised cost				
Cash and Cash Equivalents	881.45	-	-	881.45
Other financial assets	10.00	-	-	10.00
	891.45	-	-	891.45
Financial liabilities at amortised cost				
Trade payables	98.01	-	-	98.01
	98.01	-	-	98.01

In determining fair value measurement, the impact of potential climate-related matters, including legislation, which may affect the fair value measurement of assets and liabilities in the financial statements has been considered. For revalued office properties, the company considers the effect of physical and transition risks and whether investors would consider those risks in their valuation. The company has assessed whether its properties are exposed to physical risks, such as flooding and increasing wildfires, but believes that this is currently not the case. However, the company believes it is, to some extent, impacted by transition risks, and, more specifically, increasing requirements for energy efficiency of buildings due to climate-related legislation and regulations as well as tenants' increasing demands for low-emission buildings. The company, therefore, takes into account necessary upgrades required to ensure future compliance with those requirements when measuring the fair value of investment properties and revalued office properties.

17 Capital management policies and objectives

The primary objective of the Company capital management is to ensure that it maintains a strong credit rating and net current asset position in order to support its business and maximise shareholder value. The company manage its capital structure and make adjustments to it, in light of changes in economic conditions. In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholder, return capital to shareholder, issue new shares, or sell assets to reduce debts. The company is not exposed to any externally imposed capital requirements.

18 Financial risk objective and policies

The company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations/projects. The Company's principal financial assets include trade and other receivables, cash and cash equivalents that derive directly from its operations.

In the ordinary course of business, the Company is mainly exposed to Liquidity Risk. The Company's senior management oversees the management of these risks.

A Liquidity risk:

The Company monitors its risk of shortage of funds using cash flow forecasting models. These models consider the maturity of its financial investments, committed funding and projected cash flows from operations. The Company's objective is to provide financial resources to meet its business objectives in a timely, cost effective and reliable manner and to manage its capital structure. A balance between continuity of funding and flexibility is maintained through the use of various types of borrowings.

The table below summarises the maturity profile of the Company's financial liabilities based on undiscounted cash flows:

	Up to 1 year	1 year to 5 years	More than 5 years	Total
As at 31 March 2026				
Financial liabilities at amortised cost				
Trade Payables	98.01	-	-	98.01
	98.01	-	-	98.01
